The Grayslake Fire Protection District is seeking competitive bids for a new rescue pumper fire apparatus. The bids for this rescue pumper will need to meet the attached specifications to be considered. The Grayslake Fire Protection District reserves the right to reject any and all bids which they deem to be in their best interest and will not necessarily be bound to accept the lowest bid. If you feel your company can competitively meet the requested specifications, please provide us with a bid before 10:00am on May 1, 2017 at headquarters station. Bid opening will be on May 1, 2017 at 10:00 am in Grayslake Fire Protection District Headquarters station #1 at 160 Hawley St. Grayslake, IL. The awarded bid will be notified after May 17, 2017 10:00 am. All questions should be directed to me. We look forward to your bid.

Sincerely,

Dan Pierre
